2022/2023 Sports Grant – Proposed spend

	Totals
Expected sports Grant 2022/2023	£22,000

Provision	Planned Expenditure	Desired Impact	How will we measure the impact?
Membership of the Slough Sports Club Network (SSN)	£3,700	JEA pupils will benefit from the opportunities provided by the network, most at no additional cost. This includes a range of competitions and activities for all pupils and encouraging participation irrespective of ability or financial means. One of these opportunities is to work with the Healthy Minds team. Healthy Minds is passionate about enriching the lives of all children and young people, teaching them well-being for life tools and techniques, to carry them through their adult lives. We find this to be especially important for children in year 6 to prepare them for secondary school. SSN network also provides pre-recorded dance lessons for teachers to use when teaching their class as well as football and cricket coaches to run after school clubs with a focus on Pupil Premium children. These clubs help children improve their hand-eye co-ordination and stamina skills through practising fundamental cricket and football skills. The SSN sporting	The number of JEA pupils participating in local community, interschool activities and competitions will increase. Children will be able to experience sports / games / activities that are currently not on offer in the regular curriculum. Wellbeing and mental health discussion during PSHE and RHE lessons and pupil questionnaires. Dance sessions, football and cricket clubs are inclusive and ensure all children can take part and at their own pace. It creates a positive and motivational atmosphere for both children and teachers. Exposing children to a range of sports is beneficial for children to identify and highlight their skills and talents.

		competitions allows all children to develop their leadership skills whilst also instilling JEA's core values.	
Swimming resources	£1,000	JEA year 4 pupils will all learn to swim during 12 sessions over 12 weeks. Swimming ensures children are healthy and there is improvement in strength and flexibility, increase in stamina and improved balance and posture. It will be accessible and inclusive for children of all abilities and those with additional needs.	Children will learn the life skill of swimming. Children will be awarded with certificates of achievement to measure progress which will help children to become self-confident. children will have plenty of opportunities to make friends and grow in confidence. Learning to swim is a skill that once learnt is rarely forgotten and will support children in staying safe around water in years to come.
After school Sports Club (Premier) 3 days a week <u>Autumn Term 1</u> Basketball Year 4 Football Year 6 girls Football Year 6 boys <u>Autumn Term 2</u> Dodgeball Year 4 Dodgeball Year 3 Gymnastics Year 2 <u>Spring Term 1</u>	£3,276	The intention of the afterschool clubs is to provide targeted extended opportunities to the least active pupils to develop their competence and confidence in sport with a hope they gain enough confidence to find an activity they will continue beyond their PE timetable. The 3 objectives of extracurricular activities are to develop motor skills that will therefore enhance game performance and as a result aid in the development of a pupil's health and fitness. This will translate into KS2 pupils participating and performing in intra and inter school competitions (Slough Primary School Leagues and Federation Tournaments) and KS1 pupils having greater time to master motor skills in their early stages of	The attendance in the extra-curricular clubs will be a reflection of the experience pupils are getting from their PE lessons, therefore we hope to see a general increase throughout the year as the standard of delivery increases. As a result of extra provision of sport, the pupils attending will hopefully see increased sporting results from previous years. Also, an increase in competence and confidence in specific sporting skills and motor skills relevant to that sport with a greater understanding and knowledge on how to stay fit and

<p>Tennis (Year 4) Cross Country (Long distance running) Year 5 & 6 Netball Year 6</p> <p><u>Spring Term 2</u> Athletics Year 6 x 2 Year 6 Cricket Boys</p> <p><u>Summer Term 1</u> Athletics Year 6 x 2 Year 6 Cricket Girls</p> <p><u>Summer Term 2</u> Athletics Year 6 x 2 Netball Year 5</p>		<p>learning therefore giving them a more positive experience and attitude towards Physical Education and Activity. The offering of 6 clubs will allow for a full variety of sports to be targeted and allowing children the opportunity to develop and practice their skills further which in turn will also see school performance at federation events increase.</p>	<p>healthy – especially for the least active pupils. We will also measure how many children join a club outside of school after participating in a sport or activity offered in these clubs to promote a healthy lifestyle.</p>
<p>Weekly CPD for teachers (1 full day per week for 2022/2023 academic year)</p>	<p>£6,260</p>	<p>The JEA teachers will benefit from the CPD provided by Premier education. The CPD will aim to give staff the opportunity to develop and learn new skills when it comes to delivering PE. The CPD will focus on a variety of areas including the quality of teaching and how the lessons are planned and delivered. Understanding pupil behaviour and safety in a PE set up. Take teachers through differentiation to adapt sessions to allow all pupils within a session to experiencing success. Using a variety of resources to support learning to suit all learning styles and how to best work in the environment and what resources to use. As it is a weekly full day of CPD, staff will benefit from a consistent learning opportunity where experiences can be discussed</p>	<p>The impact will be measured in the quality of the lessons being taught. The development of the children will improve resulting in more kids excelling in sport for their age and show real competency in their learning. This will be measured in their half-termly pupil assessments where we will see more children excelling for their age. Staff satisfaction with the training and their development of new knowledge to teach PE and a variety of sports.</p>

		<p>and developed. There will be regular opportunities to ask questions and have class observations to discuss strength areas and where to improve. The CPD will enhance the teachers' delivery of their 1 hour allocated PE time each week which will support the full sport curriculum to allow JEA students the opportunity to develop in a wide variety of sport and demonstrate positive social values.</p>	
<p>Resources and Equipment – Gym Specific</p>	<p>£2,724</p>	<p>Children will be able to access it during free play opportunities at playtime and lunchtime. The equipment will also supplement curriculum lessons and extra-curricular clubs before and after school. The decrease in physical activity caused by school closures in previous years or due to not enjoying physical activity has meant that children have not consistently been active thus having a negative impact on their physical and mental health. Therefore, accessibility to an outdoor gym will aim to provide children with the means to stay active in an enjoyable way and improve their mental health whilst simultaneously building children's confidence and independence. A variety of outdoor equipment for EYFS and KS1 will ensure a sensory experience whilst developing motor skills.</p>	<p>Children of all ages will be more enthusiastic to complete exercise and fitness activities independently during their own time. The taught curriculum lessons will be enhanced through children developing skills with a range of different equipment. Children's mental and physical health will be monitored through how often they use gym equipment during their break and lunch times throughout the year. EYFS and KS1 children's progress will be measured by the Sports Coach and class teachers during curriculum PE lessons by monitoring development in their movements and energy levels.</p>

To Question is to Grow

<p>Attending SSN and Federation competitions to build children's social skills through resilience, team work and celebrating all competitors' success.</p>	<p>£5,000</p>	<p>Opportunity to attend, participate and compete in tournaments across Slough and with the other academies in the Park Federation. Celebrating the achievements of the children and build their core self by providing certificates and medals. Travel to SSN and Park Federation competitions is vital in ensuring JEA children are exposed to playing sport competitively and keeping morale high regardless of the results. These lifelong skills will build their resilience and instil a sense of pride in anything they wish to pursue in years to come.</p>	<p>Increased participation from across the school in a range of different sports and activities. Children's efforts are recognized for winning and more importantly, taking part and this motivates children to continue taking part in sporting competitions. Children and staff build stronger relationships with children and staff from other schools around Slough and in the Federation which creates a sense of community and belonging.</p>
