Kathina

Can I summarize the story of the Buddha?

Siddhartha lived in a palace when was left to buy from a tribe in India.

He had a good life. He got married and had a child in his family.

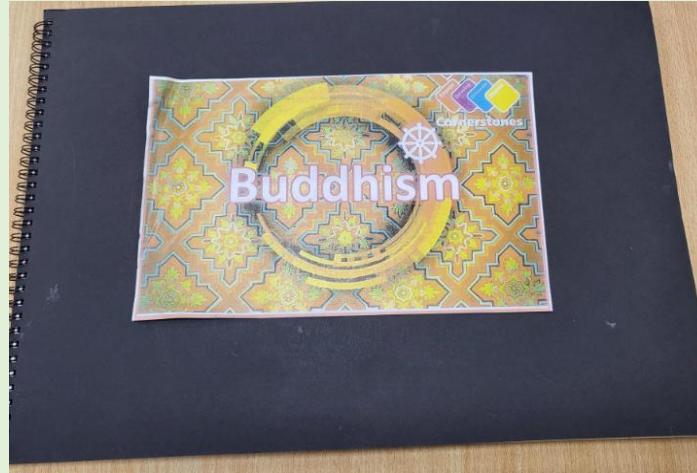

He was out of his palace to see the world. He saw lots of people but saw a poor old sicked poor but was happy.

Siddhartha walked and was thinking about everything he saw and felt life difficult is equal in age, death, illness and pain.

He started meditating and work in rape and sat under a special tree.

He started to know everything and teach people. He became a Buddha as teacher and sharing people the four noble truth.

Parinirvana

The Buddha was a man called Siddhartha Gautama. He was from a rich family, but during his life, he learns about what really impacts in life. The deepest lesson about what is most lesson. Buddhist do not believe the Buddha was a god but a very wise man.

Reincarnation

Buddhist believe that life is a circle of birth and rebirth. They believe that after death, living things are reborn in a new body.

Karma

The idea that each action has a consequence. Good actions give you good karma, bad actions give you bad karma. Your karma will affect what you come back as in your next life.

Hinduism

The students then lit diyas and learned a song to celebrate this beautiful Hindu festival.

Role Playing- The Evil King Ravana

LO: What is the story of Diwali?
I know who Rama and Sita are.
I know that the Ramayana is the story of Rama.
I know that Diwali is a festival that marks the return of Rama and Sita to their home.

Students learned how the evil King Ravana tricked Sita and stole her away to the island of Lanka. Students role-played how Sita was later rescued by Rama, Lakshman, the monkey god Hanuman and his entire army. Students enjoyed role-playing the rescue and the battle scene.

Holi

LO To explain what Holi is and the importance of colour in the Hindu religion.

1 Holi is a Hindu festival that celebrates Spring, love, and new life.
2 It is important because it is the legend of Holika and Prahlad.
3 On the first night for Holi people light bonfires and throw sooting grains, Polcas, coconuts and chickpeas onto the
