

YEAR 5 Pratchett Weekly letter

Another week has gone by.

Hope you are keeping yourselves well and completing your home learning tasks. I miss you all a lot and hope you are all spending quality time with your families.

Last week's riddle/puzzle was

A father, father, son and son went duck hunting. They captured three ducks. Each of them captured a duck. None of them captured the same duck. How could this have happened?

I hope with your family and friends you figured it out that they were only three people. A grandfather, a father and a son.

This week I leave you with a poem

Take care and enjoy Easter!
