

Hi 4 Lewis,

How is everyone doing? I hope you all had a wonderful Easter holiday. Hope you are all keeping on top of your home learning. I have received some wonderful pictures of activities been done at home during the Easter so keep it up!

I know many of you are beginning to celebrate Ramadan, Ramadan Kareem to you and your families.

It was World Earth Day on Wednesday 22nd April, so let's all take time to complete the task I set for you this week. Don't forget to send your pictures of your finished piece to me on year4jea@theparkfederation.org .

Remember to keep reading and active each day.

Stay safe and keep positive!

Miss Reilly
