

Hello children

How are you all? This week's story is called "Brenda's Boring Egg", I hope you enjoy it!

Have you been walking near any rivers and seen some ducks? We went to Langley Park one day and there were lots of ducks and ducklings to see - the ducklings were so cute!

I forgot to attach the tooth brushing chart last week, so am sending it this week.

Sorry!!

Phonics activity:

I hope you have been practising all your phonic sounds at home. You can listen to the Jolly Phonics song on YouTube that we usually sing at school. See if you can remember and join in with the actions when you sing.

This week, you can do one of these activities with your family members:

'I hear with my little ear' - take it in turns to imitate the sound of something and guess what makes that sound. You could imitate the sounds of things like a clock, a telephone, an animal.

'I spy with my little eye' - take it in turns to say the first sound of something you can see in the room. This is a good chance for you to show off your phonic knowledge!

Talk about the sounds you like and don't like and why. Draw some pictures of things that makes sounds you like. I really love the sound of the waves crashing at the seaside.

Keep the emails and photos coming in!

Take care, be safe and be good!

Miss Mendis ☺
