

Brenda's Boring Egg

Home Learning Challenges

Go for a walk in the park with your grown-up. Can you see any ducks on the pond? You could give the ducks some food. Try taking a photo of the ducks or drawing a picture of them.

In the story, there are lots of colourful eggs. Draw or paint a picture of an egg and cover it with lots of colours and patterns. Which different colours can you use?

There are 3 eggs in a nest. If 2 eggs hatch, how many eggs are still waiting to hatch? Try using your fingers or drawing a picture to help you work out the answer.

Make a nest for Brenda and the other ducks and ducklings in the story. You could use some twigs and leaves or decorate a cardboard box and put some strips of paper inside. We would love to see your creations – you could bring them to show us or take a photo to show us too.
