

Treasures in the Garden

Home Learning Challenges

In the story, Jake loses his favourite toy – his teddy bear. Draw a picture of your favourite toy. Ask an adult to write the name of your favourite toy.

In the story, Jake and Holly have a tea party with a dragon! Ask an adult to help you make or buy some snacks and have a tea party picnic outside in a garden or park.

Playing in the garden, Jake and Holly find lots of special treasures. First, they find 2 shells and 2 golden coins. How many things have they found so far? You could draw some pictures to help you work out the answer.

With an adult, go for a walk around a garden or park. Take a bag or box to collect some treasures you find. Can you find any 'magic wand' sticks like Jake and Holly find in the story? You could take a photo of your treasures or bring them in to show the group.
