

WORLD BOOK DAY 2023

Book Scene Homework

World Book Day – Book Scene

This is an example of what you are going to make:

What you need to do:

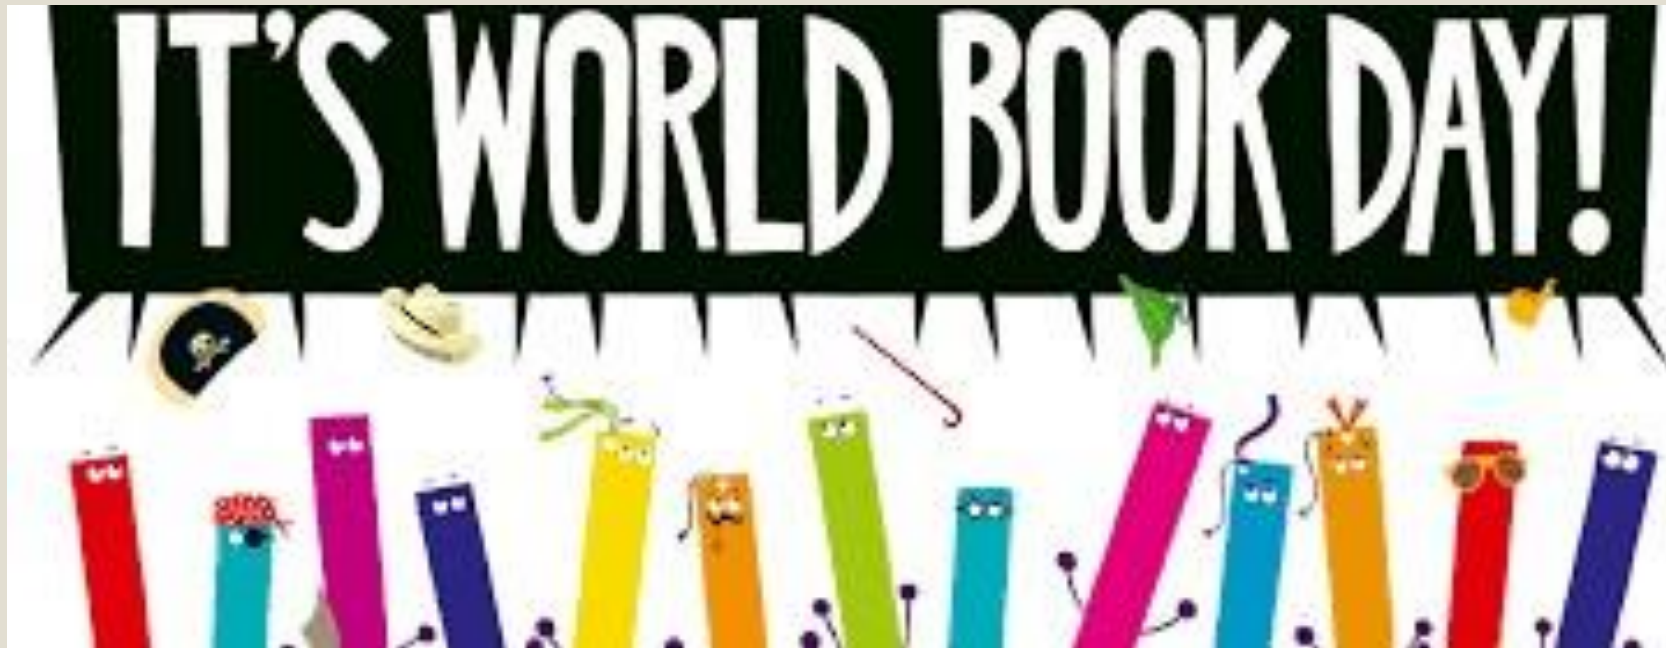

Design a book scene (no bigger than A3) from your favourite children's book. This needs to be then backed on a piece of cardboard and a border created for the scene to be displayed in.

In addition, ribbon needs to be attached to the book scene so that children can wear these on the day.

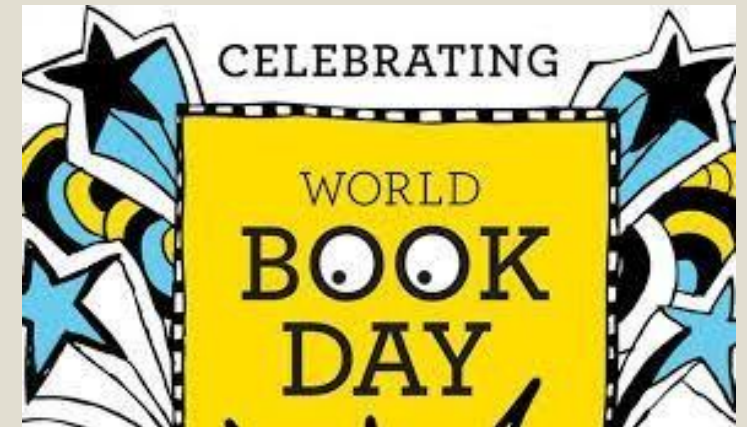

Every child has to complete this piece of homework

- Every child in the school will wear their book scene on World Book Day. Therefore you must complete the task.
- The teachers will also be taking part and creating their own book scene.

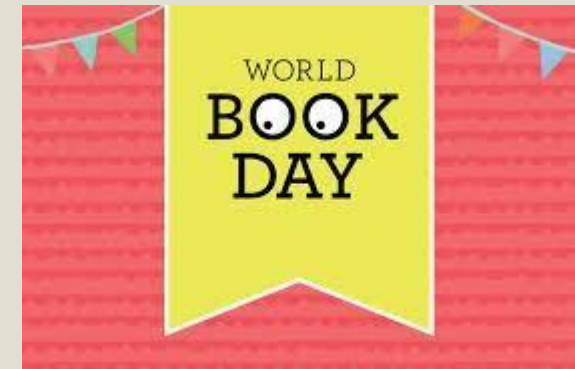

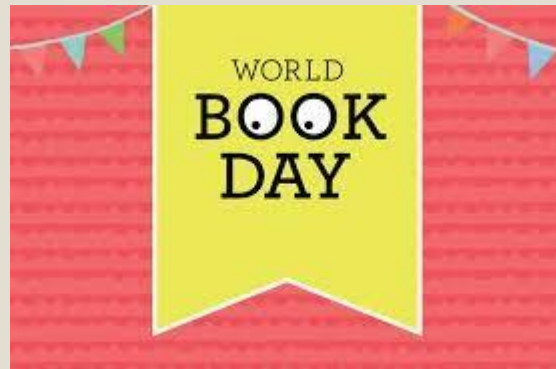

Homework to be completed during this week.

- **Book scenes must be handed in on Monday 27th February 2023.**
- **Parents/Carers and siblings can help you with your book scene homework.**

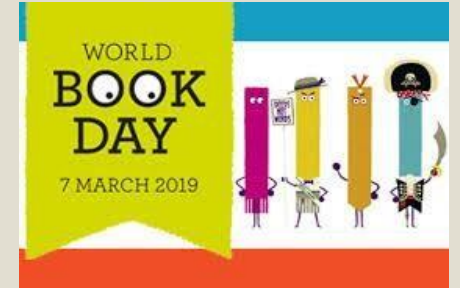

You can win a prize!!!

- The homework will be collected in and one child from each class will win a prize for the best designed book scene.

Good Luck with designing your book scene.

- Remember every child has to complete the homework. There is information on the school app and you have been given instructions by your teacher telling your parents that you have to complete this piece of homework.
- Put your full name, class and the title of your book at the back of your work.
- The homework is due back on Monday 27th February 2023.
