**Welcome to Slough SEND Local Offer**

Slough SEND Local Offer website provides information on SEND services and support available for :

- children and young people
- families.

It gives information and advice about:

- education
- health
- social care
- other services

that are available in Slough, neighbouring areas and nationally.

The Local Offer has been developed with:

- parents, carers, children, young people and
- other services such as schools, health and local agencies.

It will continue to grow and develop to include changes to services or new services.

If you do not have access to internet, you can find the Local Offer information in other ways.

You can:

- call Slough Family Information Service on 01753 476589.
- access the Local Offer online at your local library.

Information on the Local Offer is updated regularly. Please give us your feedback to help us develop and improve Slough's Local Offer.

You can:

- Slough SEND Local Offer content ownership and review guidance.

**How to use Slough SEND Local Offer**

The Slough SEND Local Offer has sections to help you to find what you're looking for.

You can:

- check the section you are want
- enter a word that relates to what you are looking for in the 'Keywords' box at the top of the page.
- add a postcode or place name in the 'Location' box for services near that postcode/location. You can sort the results by distance from the postcode.
- use the filters, such as age, postcode or type of need, on the left hand side to narrow down your search results.

Services with Local Offer information have the SEND symbol. You will find this in the top right hand corner of the record.

The Local Offer also has the ReachDeck (Speak) toolbar to translate (if required) and read aloud the webpage.

**If you can't find what you're searching for**

If you need further help, please contact Slough Family Information Service.

You can:

- call 01753 476589
- email FIS@slough.gov.uk
- use the smiley faces on the page to share your feedback.

If there isn't a local service that meets your needs, there maybe a:

- service in a neighbouring area that you can use or
- national organisation that can help.

Part of the purpose of the Local Offer is to identify services needed in the area.

We will use the information you provide to help us:

- plan
- check
- develop

facilities and services for children and young people with SEND and their families.
