

Dear Parents/Carers,

We have had fantastic attendance this half term and would like to thank you for supporting the school in ensuring children are in school every day. Please help us to keep the good attendance going.

Children's attendance should be 96% and above, we understand where there is genuine illness related absence however, unauthorised absences is recorded for some of the following reasons: term time holidays, attending family events/days out, celebration of occasions such as birthdays or parents attending other commitments and booking appointments during school time. Please note that any family who takes their child out of school during term time without approval and a valid authorised reason will be reported to the council and are at risk of receiving a fine.

We have a number of initiatives to promote good attendance and continue to celebrate individual attendance achievements with our half-termly attendance raffles.
